

PHASE 5

INVENTING THE POSSIBILITY

To do this exercise you need to think about what would you like to invent as a possibility for a career.

Please complete below:

I am inventing the possibility of

Or

I am creating the possibility of

My specific intention is to

An example is:

I am **inventing the possibility** of being Head of the Quality Assurance Department. My **specific intention** is to be brave, courageous, knowledgeable, compassionate and learn so that I secure this position.

To have this position I will need to

I wish to have this by 25th December 2029

Or you could do above, except put I am creating the possibility of
